

# Southbay Ski Club

## Lodge Rules and Policies

1. Sign in on the REGISTRATION form to record your presence as soon as you enter the Lodge, even if you are arriving at a late hour.
2. Guests are allowed to stay at the lodge only when accompanied by a member.
3. There is no smoking in the lodge, and no pets are allowed in the lodge at any time.
4. Portable heaters must be "OFF" when unattended and are **NOT** allowed in sleeping areas.
5. Opening and closing of the lodge must be performed by a club member.
6. When closing the lodge, remove all leftovers from the refrigerators. Staples, condiments, and packaged foods may be left for future use, if dated, allowing space for the next group's food.
7. All members/guests must annually read and sign the Acknowledgement and Assumption of Risk Form. A parent or guardian must sign for minors.
8. All members are encouraged to participate in a summer work party to clean and repair the lodge for the winter season or pay a non-participation fee.

### Reservation Policy

1. Maximum capacity of the lodge is 19 persons, in 3 dormitories, and 6 parking spaces.
2. Members who make a reservation for a weekend night and decide to cancel must do so by 5 PM on the preceding Wednesday or pay for the nights reserved. The only exception is if Highway 80 is closed by Caltrans, not just bad weather. Future reservations for this member will not be accepted until the no-show payment is received by the Treasurer. If a member reserves both Friday and Saturday nights and uses the lodge only one night, the member must pay for the other unused night. These rules apply only if the lodge is full and people are turned away when making a reservation.
3. No member may reserve space for more than a party of 10 (member, family associates and guests). Vacancies not filled by club members within 7 days of the weekend may be filled with additional member sponsored guests. Use of the lodge by large parties is limited to once per month.
4. The club may reserve, at the October meeting, certain holiday weekends for exclusive member use.
5. The innkeeper is responsible for collecting lodging fees and waivers from members and guests before they leave. It is suggested that a Sunday morning deadline be observed.
